Enjoy the day at leisure exploring the city at your own pace.

FEB 20 WELCOME TO SANTIAGO, CHILE – CITY TOUR HALF DAY (B/D)

Today you will set out on a panoramic city tour by vehicle with your English-speaking guide. Along the route, your guide will share stories of Chile's cultural and urban history. The tour includes short stops at the city's main points of interest:

- **Plaza de Armas** – Stop at the historic heart of Santiago, the city's founding square. Surrounded by impressive colonial-era buildings, this is where you will see how the city's story has unfolded across the centuries.
- **Plaza de la Constitución** – Pause at this important square in the city center, where neoclassical architecture sets the stage for understanding Chile's political past and present.
- **Mercado Central** – Visit this lively market, where a stop allows you to take in the wrought-iron architecture, bustling atmosphere, and traditional flavors that highlight Chile's gastronomic and commercial history.
- **Barrio Lastarria** – Conclude with a stop in this charming bohemian neighborhood. Its cobblestone streets, art galleries, inviting cafés, and cultural vibe bring to life the atmosphere of early 20th-century Santiago.

This panoramic journey blends sightseeing with engaging stops, offering a complete introduction to Santiago's history, culture, and daily life.

In the evening enjoy a delicious **3-course meal** at the hotel, accompanied by **1 glass of wine**. Gratuities are already included for a seamless dining experience.

Accommodation: Best Western Marina Las Condes – Standard Room

FEB 21 JOURNEY TO EASTER ISLAND & ASTRONOMICAL TOUR (B)

After breakfast, check out of the hotel and transfer to the airport for your flight to Easter Island.

✈ Proposed Flight: LA-841 SCL/IPC 09:10 – 12:35 (*not included*).

Upon your arrival in Rapa Nui, you will be picked up and transferred to your hotel, where you can check in at 15:00.

This evening you will set out on a fascinating journey to view the skies of Easter Island. Inspired by the dreamlike vision of the wise man Haumaka and the command of the first ariki, Hotu Matu'a, this astronomic tour connects ancient traditions with the brilliance of the southern night sky.

With your English-speaking guide, enjoy private transportation to an ideal observation point away from city lights. Here, you'll learn how the early Polynesian navigators relied on the stars for exploration and survival, and how astronomy shaped the mythology and rituals of Rapa Nui. As the night deepens, gaze upward through telescopes and with the naked eye, discovering constellations unique to the southern hemisphere and appreciating the incredible clarity of the island's skies.

This unique experience combines history, legend, and science, offering a magical perspective of Easter Island under the stars.

Accommodation: Hotel Ohana – Deluxe Room (9 Rooms) + Hotel Hare Uta – Deluxe Room (3 Rooms)

FEB 22 FULL DAY EASTER ISLAND (B/L)

Today you will set out on a full-day exploration of Easter Island's most iconic archaeological sites with your private English-speaking guide.

Begin at **Ahu Akahanga**, believed to be the burial place of the island's first king, Hotu Matu'a. Walk among the toppled moai and imagine the mysteries behind their fall. Continue to **Rano Raraku**, the volcanic quarry where nearly all of the island's moai were carved. Here, you'll see hundreds of statues in various stages of completion, frozen in time along the slopes of the crater.

Next, visit **Ahu Tongariki**, the island's most famous site, where 15 moai stand proudly against the backdrop of the Pacific Ocean—a breathtaking sight and one of the most photographed views on the island. Pause for lunch at a **local restaurant**, enjoying traditional flavors before continuing your journey.

In the afternoon, visit **Te Pito Kura**, home to the largest moai ever transported and erected on the island. Nearby lies the legendary magnetic stone, said to

hold special energy. Conclude your day at **Anakena Beach**, a place of both cultural and natural beauty. Here, moai stand overlooking white sands and turquoise waters, where the island's first settlers are believed to have landed. This full-day experience reveals Easter Island's history, legends, and spectacular landscapes, leaving you with lasting memories of its ancient culture.

FEB 23 EASTER ISLAND SACRED SIGHTS (B/L)

Begin your day with a private tour alongside your English-speaking guide. Visit **Puna Pau**, the small volcanic crater where the islanders carved the distinctive red stone topknots placed upon some moai. Continue to **Ahu Akivi**, one of the few platforms where moai face the ocean, and hear the legend of the seven explorers sent ahead by Hotu Matu'a. The tour also takes you to **Ana Te Pahu**, the island's largest lava tube cave, once used as a shelter and agricultural site, offering insight into how the Rapa Nui people adapted to their environment.

Enjoy **lunch at a local restaurant**, sampling island flavors before setting out for the afternoon.

After lunch, continue your exploration with a visit to **Rano Kau**, a dramatic volcanic crater with a vast freshwater lake surrounded by lush vegetation. The site offers sweeping views of the island and the ocean beyond. Next, explore the ceremonial village of **Orongo**, perched on a cliffside overlooking the islets of Motu Nui, Motu Iti, and Motu Kao Kao. Here, learn about the fascinating Birdman cult and its daring competitions. End your day at **Vinapu**, where the precision of the stonework recalls techniques seen in ancient Peru, adding to the island's enduring mysteries.

This day of discovery combines archaeology, legend, and breathtaking natural scenery, offering a deeper understanding of the culture and history of Easter Island.

FEB 24 SUNRISE EXPERIENCE + FLIGHTS TO SANTIAGO (B)

Rise early for a truly unforgettable **private sunrise experience at Ahu Tongariki**, the largest and most iconic ahu on the island. Watch as the first light of day illuminates the majestic row of 15 moai statues, casting dramatic shadows across the ancient platform.

This peaceful and awe-inspiring moment is accompanied by a **simple breakfast**, served on-site, allowing you

to take in the beauty of Rapa Nui in quiet reflection. Your **English-speaking guide** will share insights into the spiritual significance of the site and the legends surrounding the moai, making this a powerful and meaningful start to your day.

✈ Proposed Flight: LA-842 IPC/SCL 14:40 – 21:15 (*not included*)

Upon arrival at Santiago Airport, meet your guide for assistance. From here, take a short walk to your hotel, conveniently located within the airport complex. Check-in and enjoy the evening at leisure, preparing for the next leg of your journey.
